GENERAL INFORMATION

The Vacation Care Centre provides supervised care and structured recreational activities for children aged 5-13 years, with two groups formed into ages 5-8 years and 9-13 years.

The Vacation Care Centre offers exciting, educational activities including inclusions/excursions, art, crafts, sports, games, dress-ups and drama in a fully supervised recreational environment. The Centre is set up to cater for daily or weekly bookings.

It is the aim of the Centre to provide a high standard of care in our Vacation Care Centre with a ratio of supervisors to children 1:10 on excursion, in the Centre and 1:5 for swimming.

Therefore the Centre agrees to:-

- Establish Centre rules for the safety and wellbeing of all children and staff.
 - Staff will communicate with parents regarding behaviour management.
 - Consistent disregard of rules, giving three warnings, will result in exclusion from the program after consultation with the parents.
 - Be responsible for the care of the child from the time the child arrives and is signed in by the parent at the Centre.
 - Allow access to the child only to persons nominated on the Enrolment and Registration forms.
All nominated emergency contact persons must be notified of their responsibility with authorisations obtained.
- * Employ Centre staff until 6.30pm.

For Quality Care to be maintained, parents/guardians are required to:-

- Complete Registration and Authorisations when booking, **especially asthma and anaphylaxis individual Action Plans signed off by their Doctor showing current date.**
- Advise Coordinator in writing of any changes to Registration/Authorisation information.
- Include on the Enrolment/Registration forms, Doctor's details, emergency contacts, special needs, disabilities or family circumstances which may affect the child whilst in care.

Information – continued

- Inform the Coordinator in writing if a child is taking medication. Medication is to be supplied to the Coordinator for safety reasons. It must be in its original container and display the child's name.
- Medication must be within the 'use-by' date. The dosage administered will be in accordance with instructions on the container. **(Only prescription medications will be administered).**
- Prescription medications must be prescribed by a doctor.
- **Digital Sign In and Out is now mandatory when the child is DELIVERED AND COLLECTED from the Centre. Please have your own pin number assigned to your mobile number.**

Buses on excursion leave the Centre by 9.30am and return to the Centre no earlier than 2.45pm except in the event of rain. Easter Show buses return at 5pm.

Please give notice in writing to the Coordinator if your child is to be collected by anyone not authorized to do so on the enrolment/registration form.

Collect the child by 6.30pm – collection after this time will incur a late fee of \$10 for each half hour after that time.

Use the Message Book which will be located next to the roll for parents and staff to communicate matters of concern.

Please allow the children to be dressed in casual clothes. (We take all care with art smocks, but during art and craft activities, staining might sometimes occur).

Adhere to the Centre Rules for the safety and wellbeing of all children and staff. Constant disregard of these Rules may result in exclusion from the program following consultation with Centre staff and parents.

Phone the Centre on 0410489192 to let the Coordinator know if the child is unable to attend on a booked day. A Doctor's certificate is required in the event of the child's care day being cancelled or a \$10 fee will be applied.

Centre takes no responsibility for damaged, lost or stolen belongings during the program. For that reason, we encourage children not to bring valuable items to the Centre; this includes collectibles and all electronic devices/charges including mobile phones, children bring them at their own risk.

The Coordinator is to be notified of the child's swimming capability (with signed swimming permission notes) as children may be attending a supervised swim centre with professional qualified lifeguards in the warmer months.

The 'Permission to Swim' note is within the compulsory Enrolment form and must be signed off by the parent before a child is allowed to swim and a Photograph Permission note is required to be signed.

PLEASE NOTE: There are no refunds. Transfers may be arranged in consultation with the Coordinator and a service fee of \$10 per day will be charged.

Requested same day casual bookings may not be honoured as the Government approved Centre numbers cannot be overbooked.

Department of Health regulations apply in relation to Immunization. Children not immunized are to be excluded from the program for the duration of an outbreak of an Immunization preventable disease.

Information on time of departure and arrival for Excursions, special needs for the day, or late changes to the program (due to numbers or inclement weather) are displayed at the Centre. Parent/Guardians are responsible for ensuring they have all information required.

In the event of **heavy rain or extreme heat** the programmed activities will be reviewed and advised. Your acceptance of these conditions is acknowledged by your signature on the Registration form.

Please direct any enquiries regarding these conditions to the Vacation Care Coordinator
