

# OXFORD FALLS GRAMMAR YEAR 7 2022 ENTRY

## Academic Scholarship and Extension Program Eligibility

The Oxford Falls Grammar (OFG) Board provides scholarships for students of outstanding academic ability entering Year 7 in 2022. These scholarships are open to current OFG Junior School students and external students.

OFG has a robust academic program and a contemporary focus on 21st century learning. Our educational strategies focus on the individual student, fostering critical thinking, curiosity and a love of learning. Each student's learning experience is rich, challenging and promotes his or her intellectual, social, emotional and spiritual growth. OFG offers extensive co-curricular activities along with leadership opportunities. Students are encouraged to take advantage of programs such as music, dance and sport.

### ACADEMIC SCHOLARSHIP CRITERIA

Scholarship recipients demonstrate an ongoing, exemplary approach to learning and a high level of academic performance and engagement. They are committed to participation in areas of the school co-curricular program that align with their strengths, particularly enrichment opportunities, and demonstrate consistently high standards of citizenship. All scholarships are provided up to and including Year 12 and covers at least 50% of tuition fees provided that the recipients continue to meet the scholarship criteria.

### CAMINO (EXTENSION) PROGRAM

Students can gain early entry to the OFG Camino Program through this testing. The Camino Program is OFG's Gifted & Talented Extension Program. Students involved in the program encounter complex, abstract and challenging learning experiences, both independently and in collaboration with like-minded peers. They work to solve problems and investigate ideas deeply, creatively and reflectively, both within and across subject areas.
