The program offers recreational classes as well as Representative Dance troupes who compete against other schools in regular competitions. Our dance teachers have a wealth of knowledge and experience teaching dance in schools.

Our classes provide an array of modern dance styles and as our rolling curriculum requires no previous experience, new students will have the opportunity to join each term subject to demand and availability.

DRAMA

The Oxford Falls Grammar Drama Program operates from Week 2 in Term 1 each year. Our drama teachers have a wealth of knowledge and experience teaching drama in schools. All drama classes have skills taught through fun and engaging activities.

Senior Drama classes will have a focus on character development, preparing for auditions and script reading. All drama classes will be participating in a performance evening and possibly an assembly that will enable students to develop and showcase their talents.

Senior TheatreSports® enables students to increase their confidence and their ability to work as a team. Students will learn how to ‘think on their feet’, how to craft an engaging performance and how to effectively structure a story through improvisation.
